FOUNDED IN

1902

Our club was founded in 1902 as Be Quick. The name was soon changed to 'Go Ahead' at the request of the Dutch Football Association in 1905. On 1 July 1971 'Eagles' was added to the name, following a suggestion from the coach Barry Hughes.

The club is based in Deventer, one of the oldest cities in the Netherlands. The city is known for its old city centre and cultural events with well-known venues such as De Brink, Wilhelminabrug, Lebuinuskerk.

Go Ahead Eagles became first in the Dutch league several times and last season we won the Dutch Cup for the first time in our history.

Our stadium 'De Adelaarshorst' was built in 1920 and has a total capacity of 9.600 spectators. Located in the heart of a residential area, a visit to the 'Home of Football' offers a truly unique experience.

Two of our stadium's stands were expanded in 2015. The club has since developed new plans to fully renovate the remaining two stands in the near future.
